

## Internship Programme at the EU-LAC Foundation

The European Union, Latin America and Caribbean Foundation offers three-month full-time internships to university students from any of the 61 Member States.<sup>1</sup> The programme gives students the opportunity to strengthen their knowledge about the Strategic Partnership between the European Union, Latin America and the Caribbean, offering a unique working experience in an inter-governmental bi-regional organisation.

The interns will support the foundation's team in Hamburg, Germany, in their daily activities, enabling them to obtain experience in the implementation of projects, research, proofreading and translation of relevant documents, organisation of events and the updating of the Foundation's social networks, among other things. Interns will receive a monthly stipendium of € 450.
